SAL Membership Report for August 2026

As of August 31, 2026, our membership is as follows.

Membership reported by National is 38, of these 18 have renewed for 2027, 11 more are needing to renew for 2027 and we likely will have 9 or 10 not renew at all. These are people who did not renew for 2026, plus the resignation of Ralph Oliver.

So, we need to get 10 new members just to stay with our current membership numbers. We need to get 31 new members to meet our Commanders goal of 60.

The Commander and I need your help in finding new members. Talk to family members, friends and those you meet in public and see if they qualify for membership if so, get them on board, or give their contact info to the Commander or myself and we will contact them.

Respectfully submitted

Sandy Krum

SAL Adjutant
